

New Registration

STEP 1

- To upload your resume on Plastemartjobs.com you have to register yourself
- To register, login as a job seeker. Upon the login prompt, click on the Register Now button
- If you are a returning user you can input your username and password and login or update your profile
- If you have forgotten your password, select forgot password option. You need to submit your user id
- Upon submission an email with your username and password will be sent to you on the registered email provided by you

The screenshot shows the 'Login' page with a green header and a close button (X). Below the header are two yellow input fields for 'Username' and 'Password'. A blue arrow points to the 'Password' field. Below the input fields are two buttons: 'Login' and 'Update Profile'. A blue arrow points to the 'Login' button. Below these buttons are two green buttons: 'Forgot Password?' and 'Register Now'. A blue arrow points to the 'Forgot Password?' button. Below the 'Forgot Password?' button is the text 'Not a member as yet?'. A blue arrow points to the 'Register Now' button.

STEP 2:

- Create a new user with 4 – 20 characters. There must be no space in the user id and submit.
- If the user exists you will be given a prompt to change the id

The screenshot shows the 'New Registration' form with a green header. Below the header is a 'Note: * Mandatory fields'. The form is titled 'Login Details:'. Below the title is a text input field for 'User ID*' with the value 'Plastemart01|'. Below the input field is a blue 'Submit' button.
